FALL MEETING AND ALUMNI REUNION 2019

September 6-7, 2019

OVERALL COURSE DESCRIPTION

Join us for an interesting and intensive 1.5 day course at MUSC's Bioengineering Auditorium that will help you identify ways to improve your practice of general ophthalmology. Invited speakers and our own faculty will provide interactive sessions that will include state of the art information, case presentations and Ultimate Grand Rounds. We welcome back our alumni for this special event.

ACCOMMODATIONS INFORMATION

A block of rooms has been reserved for this meeting at the **Courtyard by Marriott Charleston Waterfront**, 35 Lockwood Drive in Downtown Charleston. To secure a room in this block, please call 1-888-724-9647 and mention the group code EYE to receive a special rate, or use the link below to make your reservation:
http://tinyurl.com/SEIMeeting2019

The rooms will be held until August 6, 2019. When you make your reservation, please be sure to ask about any early departure fees or cancellation penalties.

COURSE OBJECTIVES

At the completion of this conference, you should be better able to:

- Discuss the best management strategies for complex glaucoma cases, including the latest treatment modalities
- Incorporate more glaucoma screening in your practice and recognize unusual glaucoma cases that may not respond to typical treatment regimens
- List required screening guidelines for diabetics and discuss novel ways of incorporating screening into PCP visits
- Describe MUSC-Duke Endowment initiative to provide screening eye exams to all diabetics
- Identify patients at risk for diabetic macular edema and discuss options for their treatment
- Manage macular edema in cataract patients

AMERICANS WITH DISABILITIES ACT

It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities.
