COURSE DESCRIPTION:
This selective is structured to provide the student an inpatient experience consistent with the practice of community family medicine physicians. Based on the common discharge diagnoses, the Inpatient Service is able to provide a comprehensive educational experience for a third-year student. This rotation is done at Trident Hospital. Students will be required to complete a credentialing packet before the start of the rotation.

LEARNING GOALS & OBJECTIVES: At the completion of this clinical rotation students should be able to do the following:
1. Present information gathered through interview, physical examination, and laboratory/radiology studies and assess patients admitted to hospital. (PC2, PC3, CS1, PR1, PR4)
2. Demonstrate use of Evidence-Based Medicine resources appropriately in the care of hospitalized patients. (MK1, MK5, MK8, PL1)
3. Recommend appropriate management for hospitalized patients. (MK1, MK5, MK8, PC3, PL1)

INSTRUCTIONAL METHODOLOGIES & ROTATION ACTIVITIES: Students on this rotation will be expected to learn and achieve the educational goals and objectives through the following methodologies and activities:
1. Conduct interviews and physical examinations of patients admitted to the hospital on the Family Medicine service at Trident Hospital.
2. Write the admission history and physical examination, and subsequent progress notes for assigned patients.
3. Recommend orders for care of assigned patients.
4. Ensure complete and timely care of assigned patients.

PATIENT ENCOUNTERS: Students will be expected to work-up patients with these specified conditions:
1. Cellulitis
2. Cerebrovascular accident/transient ischemic attack
3. Chest Pain
4. Chronic obstructive pulmonary disease exacerbation
5. Congestive heart failure exacerbation
6. Gastrointestinal bleeding
7. Pneumonia
8. Pyelonephritis
9. Sepsis
10. Sickle Cell Crisis

EVALUATION / FEEDBACK METHODS: Students will be evaluated using the following methods:
1. E*Value Clinical Performance Evaluation.
2. At the end of each week, the attending or upper level resident on service will provide verbal feedback regarding student performance.

Will students be expected to participate in call? ☒ YES ☐ NO
