College of Medicine Pre-Matriculation Program GIFT

Getting Integrated and Fully Transitioned into Medical School

Clinical Sciences
COLLEGE OF MEDICINE

The GIFT program is designed to help incoming students understand expectations and successfully transition into the MD program and life as a medical student.

GIFT will offer resources and learning strategies while providing opportunities for networking and relationship building.

All incoming students are invited to attend the GIFT session. In-person attendance is highly encouraged.

FRIDAY
JULY 21ST
2023
