Seminar Outline

- About ORD
- Grants and Funding
- MUSC Funding Portal
- Federal Funding
- Foundation Funding
- PCORI
- Clinical Trials
- Grant Forward
Office of Research Development:
Focus Areas

- Education & Communication
- Research Data
- Training Grants
- Complex Research Grants
ORD Team

Carla Frichtel
Director

Peggy Schachte
Special Projects Leader

Wanda Hutto
Assistant Director

Karen Harper
Program Manager

Lynn Veatch, PhD
Special Projects

Alexis Nagel, PhD
Research Development Strategist

Kim Cannady, PhD
Grants Administrator

Monica Blasi
Program Development

Joining ORD Team
Oct. 2017
ORD Services & Initiatives

- Collaborative Proposal Development
- Grant Consultations
- Grant Writing Workshops
- Research Funding Alerts
- Institutional “Boilerplate”
- Databases for Training Grants
- Library of Sample Proposals
- Support for Research Interest Groups
Grants and Funding

Federal
- NIH
- DOD
- NSF

State
- SC Sea Grant
- SC DHEC

Foundations
- Ford Foundation
- American Heart Association

Corporate and Industry
- Pfizer
- GE Healthcare

Pilot Programs (internal)
- SCTR
- HCC

PCORI
Access to Resources

MUSC Funding Portal
Funding Portal

**ORD Funding Database**
- Customized funding database for MUSC investigators
- FOAs for federal, foundations, pilot programs
- Includes the process for limited submissions
- Signup for Research Funding Alerts (RFAs)

**Grants.gov**
- Centralized, online process to find & apply for over 900 grant programs from 26 federal agencies
- Browse by category, agency, or eligibility criteria

**Grant Forward**
- Paid subscription web-based service – NEW
- Creates account to save searches and receive personalized grant recommendations

**Foundation Center**
- The most comprehensive database for private and public foundations
- Sign up for RFPs to receive funding notices
Funding Portal

**NIH Guide for Grants and Contracts**
- Official publication for NIH medical and behavioral research grant policies, guidelines and funding opportunities.

**CDMRP**
- Congressionally Directed Medical Research Programs managed by the Department of Defense (DOD)
- Autism, Cancer, MS, Traumatic Brain Injury, Spinal Cord

**Department of Defense**
- Research and Technology Funding Opportunities from the Office of the Secretary of Defense, US Army, US Department of Navy, US Air Force, Other DOD Agencies such as DARPA.

**PCORI Funding Center**
- Nonprofit, nongovernment organization
- Supports patient-centered Comparative Clinical Effectiveness Research (CER)

**Donors Cure**
- Allows members of the general public to donate directly to biomedical research projects led by active researchers at US universities and institutions.
Each week, Research Development compiles a list of funding opportunities from internal sources, the government, and private foundations. The Funding Alerts are the perfect way to stay on top of new funding announcements. If you have an MUSC email address and would like to sign up to receive our weekly email, please email us. The Funding Alerts are distributed weekly on Tuesdays.

- Today's ORD Alerts (0)
- This Week's ORD Alerts (6)
- All ORD Alerts (665)
- DOD (27)
- Foundations (59)
- General / Miscellaneous (0)
- Limited Submissions (17)
- NEWS ALERT (0)
- NIH (521)
- NSF (0)
- Other Federal (20)
- Pilot Projects (6)
- Research News/Policy/Updates (15)

NIH invests more than $32 billion a year in research

Federal Funds
### NIH Guide to Grants and Contracts

The NIH Guide for Grants and Contracts is our official publication for NIH grant policies, guidelines and funding opportunities. We publish daily, and issue a table of contents weekly. Learn more about the NIH Guide and subscribe today.

New Features:
- Tabular view - You can now view the search results in table format.
- Export to excel - Search results can now be exported to excel for reporting purposes.

#### Results: 1 to 25 of 1042
