

**UPDATES IN PULMONARY AND CRITICAL CARE MEDICINE  
SOUTH CAROLINA THORACIC SOCIETY  
MARCH 13, 2021 (WEB-BASED MEETING)**

**COURSE INFORMATION SHEET**

**COURSE DESCRIPTION:**

This one-day course will utilize a combination of lectures and case base presentations/discussions to update providers on the latest developments in pulmonary and critical care medicine. Participants will be able to learn from the experts and discuss current controversies in the area.

**TARGET AUDIENCE:**

This activity is targeted to address the needs of Physicians, Fellows, Allied Health Professionals

**COURSE OBJECTIVES:**

Upon completion of this course, participants will be able to:

- Describe current management of epidemiology, diagnosis, and therapeutics in pulmonary and critical care medicine.
- Define the current management of pulmonary nodules.
- Determine how best to incorporate the latest interventions of asthma into practice.
- Analyze the latest guidelines of catheter-directed thrombolysis and the Rise of the PERT.
- Describe the current management of ECMO.

**CME ACCREDITATION AND DESIGNATION:**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Thoracic Society and South Carolina Thoracic Society. The American Thoracic Society is accredited by the ACCME to provide continuing medical education for physicians.

The American Thoracic Society designates this live activity for a maximum of 4.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**GENERAL INFORMATION:**

❖ **Videotaping, audio taping, or photographing the course is NOT permitted.**

Your cooperation is appreciated.
