# From the Vice Chair for Graduate Medical Education

---

The Department of Medicine presents the annual Clinical Educator Awards Day, which recognizes exceptional achievement by residents and faculty in the areas of clinical care, teaching, service, and scholarly activity.

Today's honorees have contributed their significant skills and passion to attaining clinical and academic excellence and to setting a high standard for us all. We gather today to recognize them for their contributions to our department and to the dynamic present and future of medicine.

I would also like to extend a special thanks to the members of the Education and Medicine Administration team for their diligent efforts to make this celebration possible.

Thank you for all you do.

Sincerely,

A handwritten signature in blue ink that reads "E.B. Clyburn, M.D." The signature is written in a cursive, professional style.

## DEPARTMENT OF MEDICINE

As the largest Department in the MUSC College of Medicine, the Department of Medicine provides essential leadership to numerous programs across the university, MUSC Health, and South Carolina.

Our Department—made up of nine divisions engaged in care at two hospital systems and multiple ambulatory practices—is guided by our vision to provide superior patient care, to educate the next generation of physicians, and to perform seminal discovery research. Our divisions are home to numerous NIH-funded, internationally renowned investigators, master clinicians, and award-winning educators who are leaders in their specialized fields of medicine:

- > Cardiology
- > Endocrinology, Diabetes & Metabolic Diseases
- > Gastroenterology & Hepatology
- > General Internal Medicine
- > Hematology & Oncology
- > Infectious Diseases
- > Nephrology
- > Pulmonary, Critical Care, Allergy & Sleep Medicine
- > Rheumatology & Immunology
