Conference Overview

*The MUSC Department of Otolaryngology – Head and Neck Surgery is proud to present our 10th Annual Otolaryngology Literature Update as a **virtual live streaming interactive** course on August 7 & 8, 2020.*

How does a busy clinician stay current in our rapidly expanding specialty? The literature is replete with new or refined diagnostic procedures, operative interventions and treatment algorithms. It is a difficult, if not at times bewildering, task to digest this information.

This course is designed to help. Our faculty members are charged with reviewing last year's literature in their subspecialty, and then choosing the six to eight best articles for critical review. To be considered best, we are especially looking for seminal works and those with a strong evidence base. Importantly, the manuscripts must have significant applicability to every day clinical practice.

The specialty – head and neck cancer, FPRS, otology-neurotology, endocrine disease, sleep disordered breathing, allergy, rhinology-sinus disease, voice and swallowing disorders, and pediatric ENT will be covered in 13 lectures. You will receive a list of all articles reviewed and the presenters' presentations.

In two days, almost 100 manuscripts will be reviewed, and those "pearls" important to your practice will be emphasized. I believe that there may be no better way to stay current in our field than with this Literature Update Course. I hope you will join us online this August.

*Paul R. Lambert, M.D.,
Professor and Chair*

Accommodations

For those who still want to enjoy the beach during this course, one-bedroom Scenic Villas are reserved at the Kiawah Island Golf Resort. Please call the resort directly at 1-800-654-2924 for reservations. Reference the group as MUSC Department of Otolaryngology. The villa rates are \$275.00 + tax + 9% resort fee per villa per night. Our base rate at the 5-star Sanctuary Hotel is \$615.00 per night. Two and three bedroom villas available upon request. **The room block will expire July 20, 2020.** Reservations received after this date will be filled on a space-and-rate available basis.

Course discounts also offered at these Charleston hotels: **Wild Dunes, Courtyard Marriott Historic District, Francis Marion Hotel, and the Charleston Harbor Resort.**

Educational Needs

The educational content will address identified professional practice gaps in order to improve professional and/or patient outcomes. Practitioners can benefit from:

- Presentations of findings from expert critical assessment of the most relevant, current evidence-based medical literature.
- Expert lectures and discussions to evaluate best practices and strategies for how to translate the evidence into practice.

Objectives

Upon completion of this conference, participants should be better able to:

- Reference the most relevant, current evidence-based medical literature to optimize treatment options for patients.
- Translate new research and best practices from evidence-based medical literature into clinical practice.
- Apply the most current diagnostic and therapeutic approaches to their patients, based on evidence-based research.

What Participants Are Saying...

This is the best and my favorite ENT conference and I look forward to attending it every year. MUSC ENT staff is definitely the cream of the crop!

Great coverage of multiple high yield topics.

Overall, the conference was well organized and well executed, and Kiawah Island was a beautiful vacation site.

Great conference, will be back next year.

I thought the conference was planned and executed well in a beautiful collegial setting.
