3rd Annual Update on Medical Cannabis: CBD and Its Changing Role in Medicine

Join us at our 3rd Annual Update on Medical Cannabis where we will review what we have learned from studies, scans, and more to provide an overview of the most current evidence-based science as it relates to CBD and how that translates to clinical research and medical practice.

Attendees can expect to learn through engaging lectures and discussions with a variety of medical doctors and research clinicians and legislators, and leave with a more in-depth, comprehensive understanding of medical cannabis.

Date: Friday, October 2, 2020

Time: 1:00 p.m. - 4:30 p.m.

Location: MUSC | Psychiatry Auditorium
67 President Street, Charleston, SC 29425
