- 11:30 Can We Prevent Ovarian Cancer?
William Creasman, M.D.
- 12:00 Panel Discussion with Drs. Gyamfi-Bannerman, Swift, Creasman
- 12:30 Adjourn until 2021

East Battery Home, Charleston, SC

51st Annual OB/GYN Spring Symposium

March 21-23, 2020 • Francis Marion Hotel • Historic Charleston, SC

CONFERENCE DESCRIPTION

The 51st Annual OB/GYN Spring Symposium will provide engaging, evidence-based updates on a range of obstetrical and gynecological challenges, aimed at enabling clinicians to update their practice, improve the quality of care for their patients, and optimize patient outcomes and satisfaction. The symposium focuses on enhancing participants' knowledge of new evidence and trends in the field and highlighting practical applications for this knowledge. Conference faculty include nationally known guest faculty and distinguished MUSC faculty. Content is chosen for this CME activity based on needs assessment and educational gaps derived from local, regional and national data including peer review, literature updates and specialty society information. Content is presented through key updates on emerging topics, expert presentations, and interactive panel discussions.

TARGET AUDIENCE & SCOPE OF PRACTICE

The conference is designed for care providers in the field of Women's Health with particular interest in reproductive issues and overall wellbeing. Obstetrician gynecologists, nurse practitioners, physician assistants, midwives, registered nurses, and other interested health professionals are encouraged to attend.

OVERALL CONFERENCE OBJECTIVES

As a result of participating in this educational activity, the attendee should better be able to increase their knowledge and enhance competency by:

- Applying current strategies of enhanced healthcare delivery of obstetrics and gynecology practices
- Recognizing trends in maternal mortality and opportunities to impact its effect locally and nationally
- Current strategies in caring for gynecologic patients from adolescence through menopause
- Review high impact studies and effect on current practice in the obstetric population

ELECTRONIC SYLLABUS - PLEASE NOTE!

We're going green! In our efforts to "go green", the syllabus will be provided on our website, www.musc.edu/cme. Information will be emailed to you the week prior to the conference so that you may download a copy. Internet connection will also be available in the meeting room. A printed syllabus (3 slides per page) is available upon request at the time of your registration for an additional fee of \$40.00.

CREDIT DESIGNATION

The Medical University of South Carolina designates this live activity for a maximum of **12.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACOG: Application has been submitted to the American College of Obstetricians and Gynecologists.

Nursing Credit: Most states accept CMEs that apply to a specific nursing specialty as nursing continuing education. Please check with your respective State Board of Nursing to ascertain the equivalent number of contact hours offered for **12.0 AMA PRA Category 1 Credit(s)**[™].

DISCLOSURE

In accordance with the ACCME Essentials & Standards, anyone involved in planning or presenting at this educational activity will be required to disclose any relevant financial relationships with commercial interests in the health care industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be required to disclose that information at the beginning of their presentation.

ACCREDITATION

The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMERICANS WITH DISABILITIES ACT

It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Office of CME at 843-876-1925 or attach a note to your registration form by February 21, 2020.

MORE INFORMATION

For more information, please contact the MUSC Office of CME at 843-876-1925 or email Elizabeth Gossen, gossen@musc.edu.
