

## **Interventional Pulmonology Department of Medicine**

### **SCOPE OF PRACTICE 1-Year Fellowship Program**

---

#### **INTERVENTIONAL PULMONOLOGY FELLOWSHIP PROGRAM**

- Evaluate, diagnose, and comprehensively treat patients over the entire spectrum of interventional pulmonology in both the inpatient and outpatient arena under the direction of board-certified interventional pulmonologists
- Rotate with thoracic surgery, medical oncology, radiation oncology, otolaryngology subspecialties as part of multidisciplinary care associated with thoracic oncology and advanced airway management
- Attend teaching sessions conducted by faculty
- Teach pulmonary fellows, critical care fellows, residents, and students rotating through the service
- Attend all clinical conferences, research conferences, journal clubs, and didactic lectures as assigned in the interventional pulmonology curriculum
- Manage all aspects of interventional pulmonology described above at the Ralph H. Johnson Veterans Administration Hospital

Dr. Christopher Gilbert, Program Director

Emily Colshan, Program Coordinator
