

Student Disability Insurance

The College of Medicine provides student disability insurance coverage for all enrolled students if a disability prevents them from continuing their medical education. A group insurance policy issued by Dearborn Life Insurance Company provides coverage in accordance with the plan provisions. The Associate Dean for Student Affairs & Wellness serves as a point of contact for questions about student disability insurance coverage. For general inquiries or details regarding the policy, students can call Customer Service at 1-800-721-7987 or contact Kerry Branham, Account Manager, Dearborn Group Telephone: (630)824-6113 | Fax: (312)552-1542
