Ensure a good webinar experience
The webinars will take place in a Blackboard Collaborate™ virtual conference room. You will need to make sure you have a good internet connection and your computer speakers are turned on as audio will be via VOIP. We recommend using Chrome for the best experience. If you haven't done so already, download the Getting Connected to Blackboard Collaborate Ultra document to verify your system is setup correctly.

Melissa Hortman, EdD, Assistant Professor, hortmanm@musc.edu 843-792-5956 (office)
